FOR IMMEDIATE RELEASE

Synergy Consulting Group, Inc. Unveils New Responsive Website

UNIONTOWN, Ohio - Synergy Consulting Group, Inc., a full-service IT recruiting and consulting firm in Uniontown, announces the launch of their brand-new website. The website, which can be accessed at synergycgi.com, has been meticulously crafted to provide an enhanced, user-friendly experience for both candidates seeking opportunities and clients in search of top IT talent.

The unveiling of the new website coincides with Synergy Consulting Group, Inc.'s steadfast commitment to continuously serve IT professionals by offering qualified resources for employment placement. Simultaneously, it empowers companies in their quest for talented individuals to fortify their expanding IT departments. Some key features of the new website include a streamlined application and contact process, comprehensive information for IT job opportunities and potential clients, an updated company brochure, and a new meet the team section.

"We are excited to launch our new website as part of our ongoing commitment to delivering the highest level of information technology service and value," stated Craig Mueller, president and owner of Synergy Consulting, Inc. "We believe that this updated online presence will make it easier for professional IT professionals and potential clients to engage with us, access essential information, and discover how our strategic IT placement services can drive their success."

Since 2006, Synergy Consulting Group, Inc. has been a full-service IT recruiting and consulting firm for local and national businesses. Their expertise focuses on IT recruiting/professional placement and business development that matches companies with talented individuals who have the skill sets to meet the project and position's needs. Their professionals are experts in precise areas of IT, including application development, quality assurance, systems analysis, network administration, and project management. They personally assess candidates through their Synergy Select™ evaluation process to ensure that each candidate meets both their expectations and the expectations of their clients.

Synergy Consulting Group, Inc. offers an exceptional benefits package to all full-time W-2 employees/contractors, including competitive salary with bonus potential, 401(k) with match, profit sharing, life insurance, long-term disability, paid time off, holiday pay, and 100% company paid premiums for medical, dental, and vision insurance plans. An IT opportunities page is available on their website to stay up to date with the most current job openings. Social media users can keep up to date with Synergy Consulting by following their company on Facebook, LinkedIn, Twitter, and Instagram.

The firm is locally owned by Craig Mueller, president and founder. For more information, call (330) 899-9301, email craigm@synergycgi.com or visit synergycgi.com.
